Chapter 1 by Arley Arley

"I'm not lying, mom. I didn't do it. She did."

Chapter 2 by Olive

I was sitting in the principals office trying to convince my mom and the principal that I didn't do it. Ever since the third grade choir concert, Lindsay had it out for me. I don't know why, but she just is. "Why would miss Kelly cheat off of you on the test?" Mrs. Wickerson, the principal, said with an edge to her voice. "I don't know, but why would I cheat off of her?" I said trying to sound as polite as I could be. I was trying to clear my name and it wasn't any help with my mom standing right there next to me. "You know, Ashley, ever since your father and I got divorced, you've been acting up." my mom said giving me "the look". "Mom this isn't about you and dad. I would never cheat on a test and you of all people should know that." I said wishing I was at home sleeping.
